Freedom Innovations is solely focused on developing world class lower limb solutions in close collaboration with amputees and prosthetists. These solutions encompass technological innovations, service, training, educational resources and consultative support to help ensure user satisfaction.

Returns, Adjustments and Credits

We are committed to the complete satisfaction of the prosthetist and the amputee. We deliver our component kits with a 60 day "Satisfaction Guarantee". If you are dissatisfied with a Freedom standard production product for any reason, you may return it for a full refund within 60 days of the original invoice date. Component kits can be returned as **complete kits only (no individual component returns allowed)**. All returns require a Return Authorization Number (RA#), which is obtained by calling Freedom Innovations Customer Service. No returns will be accepted without an RA #. A restocking fee of 20% will be applied to orders returned after the 60 day satisfaction guarantee.
